from the director

We are now well into the season and I am delighted with the progress that can be seen in each and every class. I know that the beginning of the year can be a little hectic, so thank you for your patience and cooperation in the first few weeks as students and instructors settle into the rhythm of the new dance season.

Thank you to those who came and viewed our classes during Parents Observation Week. It was wonderful to have you in the classes! I hope that you all enjoyed yourselves.

Lost and Found

The lost and found bin is overflowing! Please double check to make sure that none of these items belong to you, as we will be donating these items to charity on November 15th. Please make sure that your dance items have your name in them and remember that Bella Dance is not responsible for lost or stolen articles.

Dress Code

All students are expected to be properly attired as per the studio dress code during every class. For the safety of all dancers, it is very important that students are wearing the proper attire and shoes (if required) with hair tied securely off the face and no jewelry. Thank you for your co operation.

Dancewear Orders

As some of you know, a small number of our dancewear orders were backordered during the first eight weeks of classes. We apologize for any inconvenience that these delays may have caused and can tell you that we are working closely with our supplier to ensure timely orders. We place orders on the 15th of each month during the season and we aim to have orders in the studio within 10 – 14 days. If you need to place an order, please visit the studio during office hours.

Student of The Month Taylor Maxwell

Taylor Maxwell is 10 years old and goes to Range Lake North School. Taylor enjoys school, family & friends, her dog, figure skating, dancing and piano. She has a fun sense of humour and gives focus, spirit and responsibility to whatever activity or task she is involved in. Taylor is very excited about joining Bella Dance Academy and especially enjoys her "across the floor" work in her Modern class lead by her dance instructor Isabel.

Congratulations to Taylor on being selected as BDA's October Student of the Month!
