

Sign & Sing

In a Kindermusik Sign & Sing, we give parents the tools and knowledge to communicate with their babies using American Sign Language through songs and play. This research-proven signing class for hearing children speeds language development, eases frustration, and enhances long-term learning abilities.

What a Parent and Child Experience In Class

Play, sign, and sing – Using everyday items in engaging small and large group activities, we'll sing songs and practice the sign as we say the words, play with toys, and help the children learn both the spoken word and the sign.

Expert advice – Parents will learn to spot their babies' most "teachable moments" and the sign language teaching methods of the experts. Plus they'll learn to recognize and respond to their children's versions of signs.

Communication through sign language – When a child is chasing a bubble or asking for the ball, make them sign for it and say the word. So a child has ways to associate the word with the object: the child holds the ball, hears the parent say the word, and then sees the adult make the sign.

Dance back into shape with the best little partner of all – your baby!

With little ones snuggled into baby carriers, new moms learn popular Latin dances while babies shake maraca rattles and bounce along to the Salsa beat!

Salsa Babies offers a great workout, a chance to socialize with other moms, and an opportunity to introduce one's child to music and movement. Not to mention, it's perfect for people who have always wanted to learn to dance, but could never convince their partner to take lessons!

Classes are appropriate for babies approximately 6-8 weeks of age and up, as long as you are comfortable supporting your baby in a carrier for the duration of the class. All levels of fitness and dance experience are welcome.

Break a Leg!

We would like to say Break a Leg to Nancy Guardado and our many students who will be performing at NACC this month for the Sir John Children's Theatre performance of *A Lion King*.

Show will run November 8th – 12th. Get your tickets today!

»» Year End Details

Students are already starting to ask! We will be using a *Time Travel* theme this year for our year-end shows. The shows will run May 31st, June 1st and 2nd for all classes Grade 1 – Advanced students. (Workshop classes as well as Adult Classes and Parents & Tots do not participate in the show).

We will be holding a second show again this year. This junior recital will have two showings on Sunday, June 3rd for all Mini Movement, Preliminary, Primary, Hippity Hop and Combo Class students. We will send more information regarding dates and rehearsal times in the new year. If you do not intend to perform in the show, you **MUST** inform the office **IN WRITING**, by December 1st.

»» Costumes & Measurements

We place our order for costumes in early December, so if you do not intend to be part of the show, you must let the office know in writing, no later than December 1st. Your account (Credit card or Bank Transfer) will automatically be charged with your appropriate costume fee on Monday, December 5th and there are no refunds for this fee (as agreed to during registration).

We will be visiting classes the week of November 14th to take all measurements for the year end costumes. If you miss your class during this week, you will have to come in during office hours to have your measurements taken by appointment only. Please try to be at your regular class to avoid any delays.

Student of the Month

Brian Delf

Brian has been dancing with Bella since he was 2...this is already his 4th season and he is only in Kindergarten.

Brian likes the outdoors and dinosaurs and doesn't like mushrooms, olives or peanut butter. (Momma always said the way to a man's heart was through his stomach!)

Brian's hobbies are playing lego, bike riding, and his favourite thing about the studio is he loves to come and dance.

So nice to see this little fellow continue with dance, really come out of his shell and truly advance by leaps and bounds. Great work Brian!

Congratulations to our Student of the Month – Brian Delf! 🎉

Lost and found bins are overflowing.

Please double check to make sure that none of these items belong to you, we will be donating these items to charity in the new year.
